History Inquiries > Contractor > Contractor History page

Procedures

Search for a Contractor History

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting Reset *at any point of this procedure returns all fields to the default "All" setting.*

1. In the Search Criteria box, narrow the results by entering one or more of the following optional fields.

2. Select Search to view the results in the Contractor History Inquiry Grid.
