

Program Management

Overview

The Materiel Management/Inventory Control Point (MM/ICP) module Program Management process provides the ability to view or edit a Program. Materiel Management Programs are added or deleted through the data conversion process only.

The Materiel Management module is set up into three tiers:

- **Program Management**
 - displays all available Program Names, Program Descriptions, Agencies, and Banners.
- **Division Management**
 - displays all available Program Names, Division Names, and Division Descriptions.
- **ICP Management**
 - displays all available Division Names, ICP Names, ICP Descriptions, DoDAACs, RICs, Agency Cds, and Financial System Interfaces.
