

Browse for an Asset Identifier

Overview

The Asset Identifier Browse pop-up window allows searching for a single asset or a range of assets.

Navigation

ELMSModules > *VARIOUS PROCEDURAL STEPS* >  > ASSET ID Browse pop-up window

Procedures

Browse for an Asset Identifier

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

*Selecting  at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.*

Help Reference Guide

1. Select . The **ASSET ID Browse** pop-up window appears.

AssetId
