

Browse for an SRD

Overview

The SRD Browse pop-up window allows searching for standard reporting designators.

Navigation

ELMS Modules > *VARIOUS PROCEDURAL STEPS* >  > SRD Browse pop-up window

Procedures

Browse for an SRD

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

Selecting  at any point of this procedure removes all revisions and closes the page.

1. Use  to browse for the SRD. *The **SRD Browse** pop-up window displays.*
