Search for a WRNTY/SVC/SUBSCRIPTION — Asset ASSOC — Criteria

Overview

The Maintenance and Utilization module Warranty/Service/Subscription — Asset Association process provides the ability to update warranty, extended warranty, service, and subscription information supplied with an asset purchase.

> **Note**
>
> The options for CAGE CD are based on the contractors created in the Warranty/Service/Subscription Process. Choosing a CAGE CD further helps to eliminate the number of rows returned from the database when searching for a record.
