

View the Asset Details

Overview

The Property Accountability module Asset Details process provides the ability to view the details of an asset record.

Navigation

ELMS Property Accountability Module > *VARIOUS PROCEDURAL STEPS* > Asset Id hyperlink
> Asset Details page

Procedures

Review the Asset Details

Selecting  at any point of this procedure removes all revisions and closes the page.

Bold numbered steps are required.

1. Select the ASSET ID hyperlink. The **Asset Details** page appears.

Details
