

Browse for a Disposal Activity

Overview

The Disposal Activity Browse pop-up window allows searching for the disposal DoDAAC by state and country.

Navigation

ELMS PA Module > *VARIOUS PROCEDURAL STEPS* >  > Disposal Activity Browse pop-up window

Procedures

Browse for a Disposal Activity

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

Selecting  at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.

1. Select . The **Disposal Activity Browse** pop-up window appears.

The screenshot shows a web-based form titled "Disposal Activity" with a "close or Esc Key" link in the top right corner. The form is divided into a search section and a results section. The search section, labeled "Search By", contains three input fields: "Dpsl Activity" (a text box), "Country Cd" (a dropdown menu with "Select an Item" and a downward arrow), and "State" (a dropdown menu with "Select an Item" and a downward arrow). Below these fields are two buttons: "Reset" and "Search". At the bottom left of the form is a "Cancel" button.

- Enter the DSPSL ACTIVITY in the field provided. *This is a 6 alphanumeric character field.*
 - Use  to select the State.
 - Use  to select the Country Cd.
2. Select . Results display in the Custodian Results Grid below.
