

Search for a Reference Publication — Criteria

Overview

The Property Accountability module Reference Publication process provides the ability to add, update or delete any technical manuals, user's guides, etc., for any stock number.

Navigation

Catalog > REF Publication > Reference Publication Search Criteria page

Procedures

Search for a Reference Publication

One or more of the Search Criteria fields can be entered to isolate the results. By default, all

results are displayed. Selecting at any point of this procedure returns all fields to the default "All" setting.

1. In the Search Criteria box, narrow the results by entering the following optional field:

| Stock Nbr | 1 | Q | | | |
|-----------|------------|-------|--|--|--|
| | <i>i</i> C | | | | |

2. Select search . The **Reference Publication Search Results** appears.
