Procedures

Browse for a Replacement Stock Number

Selecting  at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.

1. Select . The **Exchange Browse** pop-up window appears.

The screenshot shows a pop-up window titled "Exchange" with a close button (X) in the top right corner. It contains two main input fields: "i * Replacement Stock Nbr" and "* Exchange Reason". The "Replacement Stock Nbr" field has a text input area with "Select an Item" and a small "..." button to its right. The "Exchange Reason" field has a dropdown menu with "Select an Item" and a downward arrow. At the bottom of the window, there are two buttons: "+ Add" and "Cancel".

2. Use  or  to assist with the REPLACEMENT STOCK NBR entry. This is a 15 alphanumeric character field. When the field is entered, additional fields appear.
