

## Browse for a Real Property Installation

### Overview

The Real Property Installation Browse pop-up window allows searching for installations in the specified physical area.

### Navigation

ELMS Warehouse Module > *VARIOUS PROCEDURAL STEPS* >  > Installation Browse pop-up window

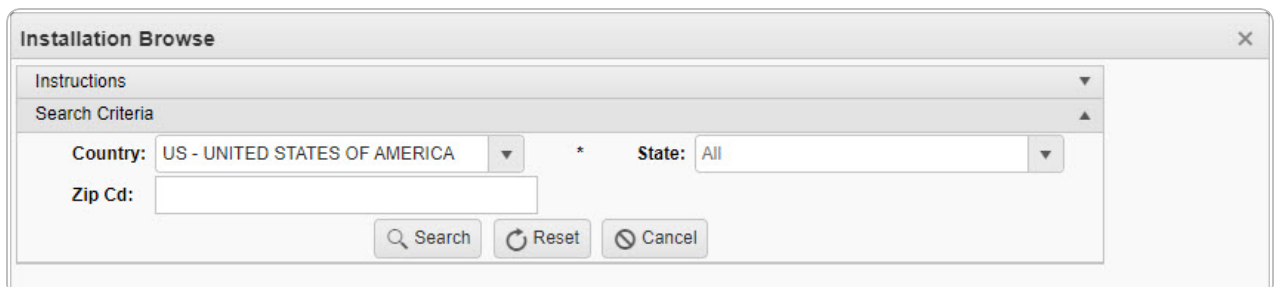

### Procedures

#### Browse for an Installation

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

Selecting  at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.

1. Select . The **Installation Browse** pop-up window appears.
2. In the Search Criteria box, narrow the results by entering one or more of the following optional fields.

The screenshot shows a window titled "Installation Browse" with a close button (X) in the top right corner. Below the title bar is a section labeled "Instructions" with a dropdown arrow. Underneath is a "Search Criteria" section with a scroll bar on the right. It contains three input fields: "Country:" with a dropdown menu showing "US - UNITED STATES OF AMERICA", "State:" with a dropdown menu showing "All", and "Zip Cd:" with an empty text box. At the bottom of the search criteria section are three buttons: "Search" (with a magnifying glass icon), "Reset" (with a circular arrow icon), and "Cancel" (with a circle and slash icon).

3. Select . Results display in the Installation Grid below.

## Help Reference Guide
