Delete a Repair Parts Catalog

Selecting at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.

1. Select . The **Delete Repair Parts Catalog** pop-up window appears.

The screenshot shows a dialog box titled "Delete Repair Parts Catalog" with a close button (X) in the top right corner. Below the title bar is a section labeled "Instructions" with a dropdown arrow. The main content area contains the text "Delete Repair Parts Catalog" followed by the question "Are you sure you want to delete this Repair Parts Catalog and any associations?". Below this is a text area labeled "History Remarks" with a diagonal slash icon in the bottom right corner. At the bottom of the dialog are two buttons: "X Delete" and "Cancel".

2. Select . The Repair Parts Catalog is removed from the grid.
