

Master Issue List History Inquiries

Overview

The Warehouse Management module Master Issue List History Inquiry process provides the ability to inquire about the history of Master Issue List transactions.

Navigation

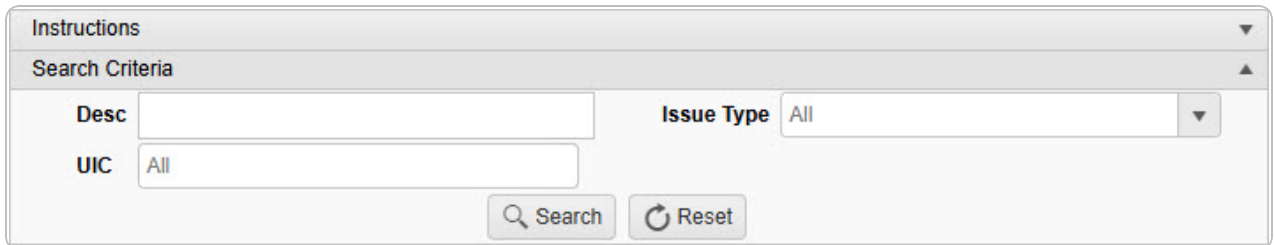

History Inquiries > Master Issue List > Master Issue List History page

Procedures

Search for a Master Issue List Record

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

1. In the Search Criteria grid, narrow the results by entering one or more of the following optional fields.

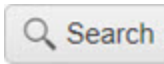

Instructions

Search Criteria

Desc Issue Type

UIC

2. Select . The Search Results appear.
