

Member Profile History Inquiries

Overview

The Warehouse Management module Member Profile History Inquiry process provides the ability to inquire about the history of Member Profile transactions.

Navigation

History Inquiries > Member Profile > Member Profile History page

Procedures

Search for a Member Profile Record

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

1. In the Search Criteria panel, narrow the results by entering one or more of the following optional fields.

Instructions
