

UIC History Inquiries

Overview

The Warehouse Management module UIC History Inquiry process provides the ability to inquire about the history of UIC transactions.

Navigation

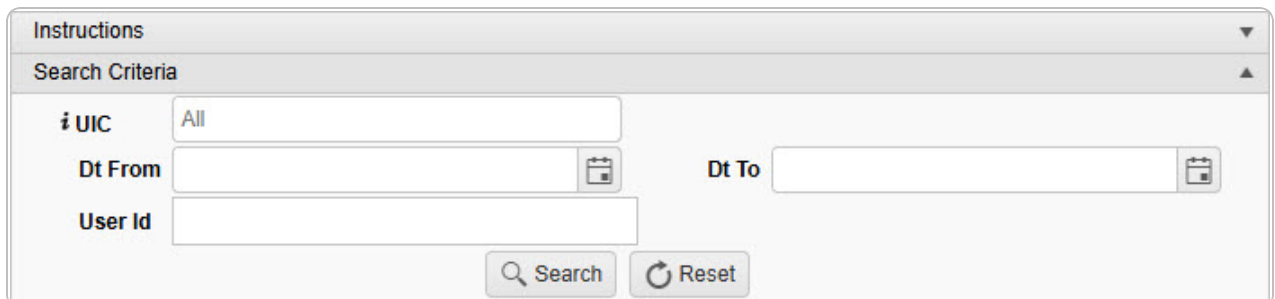

History Inquiries > UIC > UIC History page

Procedures

Search for a UIC Record

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

1. In the Search Criteria panel, narrow the results by entering one or more of the following optional fields.
