- 7. From the **Asset Id Browse** window, enter your search criteria to filter your data.
- Select the Search button. The Search Results display at the bottom of the window.
- 9. Select the checkbox beside the asset(s) to be associated.
- 10. Using the window's scroll bar, go to the bottom of the window and select the **Submit** button.

Only the first 500 rows will display; therefore, it is always a good idea to use search criteria to limit your results.

If multiple Asset Ids were selected, they will be separated with a "|" (pipe symbol).

To associate more assets to the same **Contract Nbr**, do not select the **Update** button until all assets display in the lower table (a maximum of 50 assets may be added/removed at a time).

To remove an associated asset from the table, select the **Remove** checkbox before choosing the **Update** button.

13. Select the **Update** button.
