

## **Excess in Place - Delete**

## **Excess in Place - Delete**

- Navigate to the Asset Management > Excess In Place Del menu path.
- 2. Select or browse for the Disposal Document Number.
- 3. Select the **Search** button.

Use this process to delete Excess In Place asset(s) that have been turned in to Defense Reutilization and Marketing Office (DRMO) and have been reissued/sold by DRMO.

You will need to perform an **Asset Disposition** action to remove the asset from Web DPAS.

- 4. Select the asset you want to delete from the table.
- 5. Select the **Continue** button.
