

## Defense Property Accountability System (DPAS) Inquiry / Report Toolbar Reference Document

The Inquiry-Report Toolbar is accessed by navigating through the Inquiry options of the Web DPAS menu.

You can use the tool bar to:

- 1. Navigate from one page to another if the arrows are highlighted.
- 2. Zoom In and out of the page.
- 3. Use the **Find/Next** feature to search for specific information on all result pages.
- 4. Export to Excel, Word or PDF formats for printing.

The **Navigation** section of the Report Toolbar allows you to navigate the results from an inquiry. This section of the Toolbar contains the following controls:

## Control

## Description

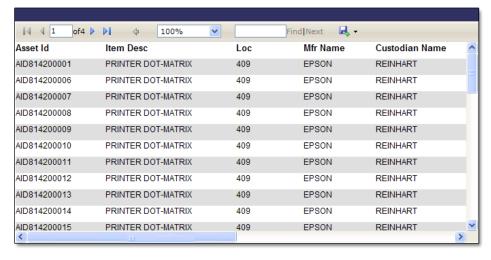

- Use the left-hand pointing arrow with the vertical line (called a jump arrow) to move to the first page of results.
- Use the left-hand pointing arrow to move to the previous page of the results.
- The current page field displays the page number being viewed. To jump to a particular page number, enter the page number in the field and press the Enter key.
- of4 The page control tells you how many pages of records you retrieved.
- Use the right-hand pointing arrow to move to the next page of the results.
- Use the right-hand pointing arrow with the vertical line (called a jump arrow) to move to the last page of results.
