WARFIGHTER FIRST

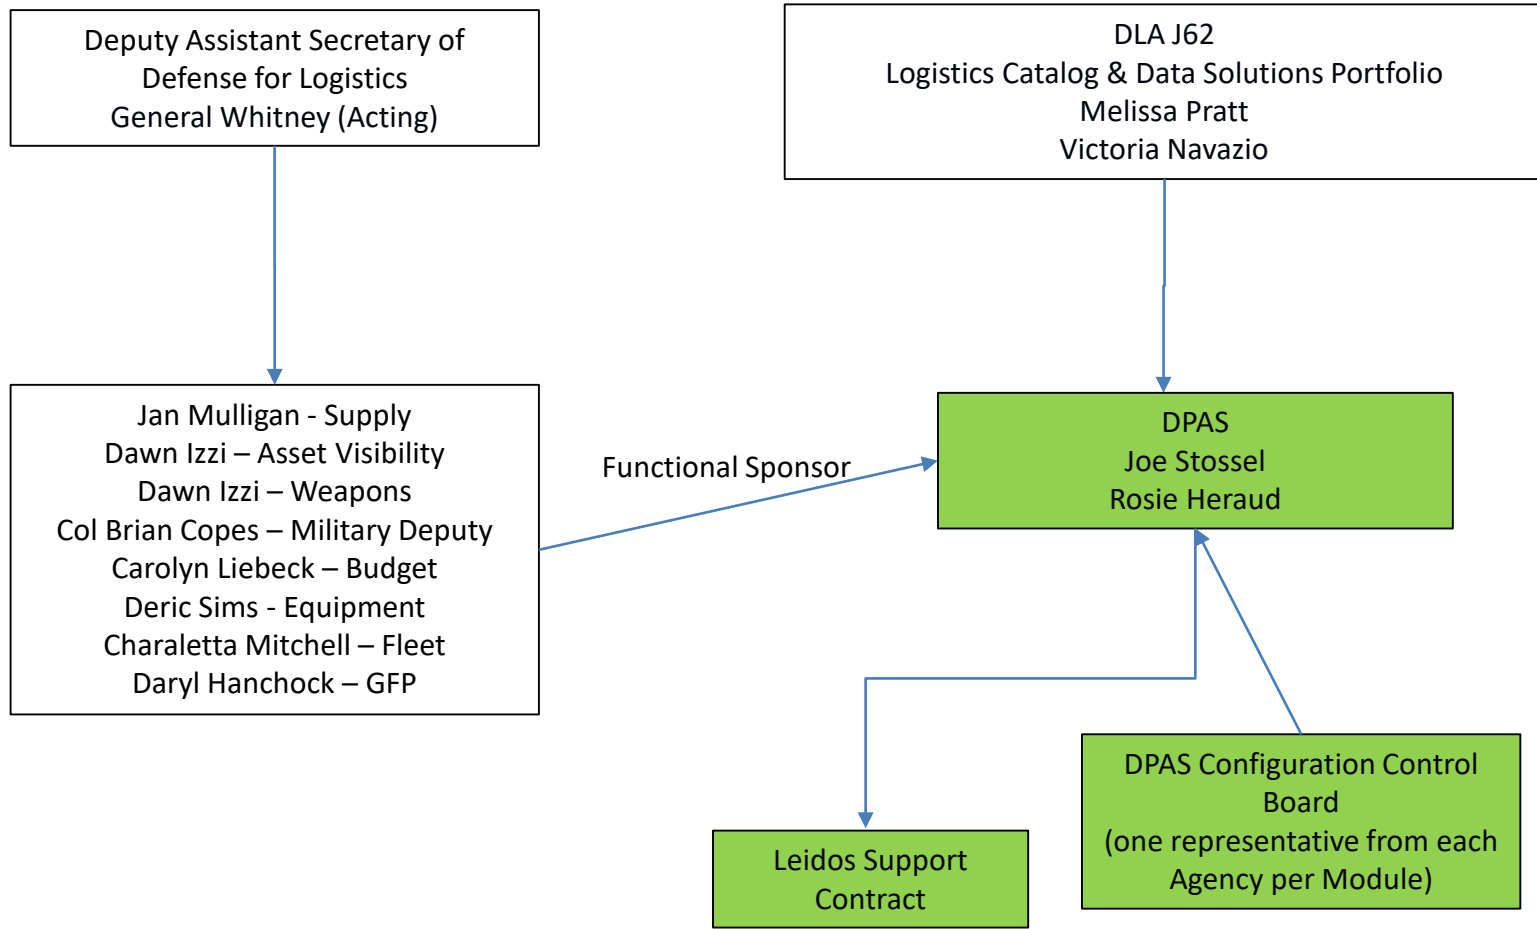

Agenda

- DPAS Leadership
- Responsibilities of the Functional Sponsor

DPAS Leadership

Functional Sponsor

- Responsibilities of the Functional Sponsor:
 - Provide oversight of the development and maintenance of standards and policies that govern the end-to-end (E2E) business processes for general equipment and inventory
 - Prioritize SCRs to ensure standardization across the Department and compliance with DoD wide requirements
 - Provide oversight of the functional logistics requirements and capabilities for Department of Defense
 - Funding Advocate
 - Promoting DPAS where DoD requires an enterprise level solution for general equipment and inventory requirement
